

SERMON REFLECTIONS

What does God see when He looks at your heart

2 Chronicles 34 | 12 July 2026 | Rev Timothy Yong

Sermon Reflection Questions

1. Josiah chose to seek God wholeheartedly despite the spiritual environment he grew up in. What are some influences or distractions in your current season of life that could be pulling your heart away from wholehearted devotion to God? What would it look like to choose God more intentionally this week?
2. The sermon reminded us that wholehearted devotion is often built through ordinary, consistent faithfulness rather than extraordinary moments. Which spiritual habit (God's Word, prayer, worship, or another discipline) do you sense God calling you to strengthen, and what practical step can you take this week to make it part of your daily life?
3. When Josiah heard God's Word, he responded immediately with humility and obedience. Is there something God has been showing you through His Word recently that you know you need to obey? How can the group pray for and encourage you to take that next step?
