Walk Wisely: Living in Evil End-times

Ephesians 5:15-18, 21 | 19 February 2023 | Pastor Daniel Foo

Reflection Questions

Ephesians 5:15-17 *“¹⁵Be very careful, then, how you live — not as unwise but as wise, ¹⁶making the most of every opportunity, because the days are evil. ¹⁷Therefore do not be foolish, but understand what the Lord’s will is.”*

1. *“Be very careful then, how you live ...”*
In what ways can you be careful in how you live? Do you think people usually take time and effort to reflect on how they live, and then change some areas as a result? Have you, or do you know of someone who has done it? Please share.
2. *“.. because the days are evil.”*
Do you think the days are evil? What do you think these *“evil days”* in Ephesians 5 could mean? Has anything evil affected you personally or someone you know?
3. Pastor Daniel taught from Ephesians 5, the seven ways where a Christian (disciple) can walk wisely. Do you remember the seven ways? Which of these one or more ways of walking wisely with the Lord spoke to you, and how would you apply the lesson(s) to your life?

SERMON REFLECTIONS

4. What are the five areas of God's will that is made very clear to all who have read God's Word? Share about one or two of these five areas that is/are either more meaningful or more unknown to you.

5. In the will of God to save us all (that none should perish), if there is someone you are close to, but still an unbeliever, would you commit to use the two keys which Pastor Daniel has taught to effectively reach out to the person?
 - a. Continue to build relationship with the person (what would you do, if there is someone specific you desire for the person to trust Christ?)
 - b. Pray against the demonic/ungodly strongholds/lies that is preventing the person from receiving the gospel (what would you pray against, if there is someone specific you want to share the gospel with?)
