

What is Your Hope?

Isaiah 2:1-5 | 1 December 2024 | Rev Timothy Yong

1. What are some ways you find yourself seeking satisfaction in the "here and now"? Reflect on how these pursuits might fall short of fulfilling the deeper longings of your heart. How can you actively shift your focus toward the eternal promises of God this week?
2. Why is it tempting to look inward for solutions when faced with challenges or hopelessness? Share a time when relying on your own strength or wisdom didn't bring the outcome you hoped for. How can you practice depending on God's guidance and power instead of your own?
3. Isaiah 2:1-5 gives a vision of God's ultimate peace and restoration. How can this vision help you endure difficulties and inspire others to look to Christ for hope? What specific actions can you take for this hope to shape the way you live today?
