# The Empty Net, The Voice, and The Jump

## John 21:1-9 | 1 November 2026 | Rev Timothy Yong

Sermon Reflection Questions

1. Where am I experiencing an "empty net" right now, and what might God be teaching me about depending on Him rather than my own strength?

2. What is Jesus saying to me through His Word right now, and what is the next step of obedience He is asking me to take?

3. Am I still moving towards Jesus? What is one thing I can do this week to draw closer to Him?
