## Taking Possession of Our Inheritance

Numbers 33:50-56 | 24 July 2022 | Rev Timothy Yong

### Reflection Questions

1. The Israelites received a promised land as an inheritance from the Lord. Compared to them, we believers in Christ have a far richer and broader inheritance in Christ! What do you think are the things we inherit as God's children? How does this truth affect how you think, feel, and live?
2. Pastor Timothy shared that a key way to possess a greater measure of our inheritance is to grow in spiritual maturity. Have you been consistently growing in spiritual maturity in your life? What must you do or change in your life in order for you to continue growing?
3. What is the purpose of possessing a greater measure of our inheritance in Christ? Why does God desire and want us to take full possession of our inheritance and not be indifferent or complacent?
