

SERMON REFLECTIONS

How Are You Building Your Life?

1 Corinthians 3:10-23 | 25 August 2024 | Rev Timothy Yong

Sermon Reflection Questions

1. **Foundation Check:** What are you currently relying on as the foundation of your life? Have you truly made Jesus Christ the cornerstone of all you do, or are there areas in your life where you're leaning on the world's foundations like success, relationships, or self-reliance? How can you ensure that every part of your life is anchored in Christ?
2. **Material Assessment:** Consider the "materials" you are using to build your life—your thoughts, actions, and priorities. Are you investing in things that have eternal significance, like growing in God's wisdom, serving others, and deepening your relationship with Christ? What changes can you make to replace any "wood, hay, and straw" in your life with "gold, silver, and precious stones"?
3. **Final Inspection Readiness:** If your life were tested by God's holy fire today, how confident are you that your work would endure? What specific areas of your life need more attention or alignment with God's will so that you can be ready for the final inspection and receive the full reward God desires for you?
