## Waiting For God's Perfect Timing

Habakkuk 2:1-4 | 5 November 2023 | Rev Timothy Yong

### Sermon Reflection Questions

1. Habakkuk 2:1 encourages us to "stand at our watch post" and "wait for God's answer." How can you apply this principle to your life? Are there specific areas where you have been impatient or struggled to wait for God's perfect timing, and what steps can you take to trust in His timing more fully?
2. Habakkuk 2:3 tells us that "the vision awaits its appointed time; it hastens to the end; it will not lie. If it seems slow, wait for it; it will surely come; it will not delay." In what ways can you remind yourself of this truth when facing delays or difficulties in your life? How can you cultivate patience and perseverance while waiting for God's promises to be fulfilled?
3. Reflect on the idea that "the righteous shall live by faith" as mentioned in Habakkuk 2:4. How can you deepen your faith and reliance on God's timing in your daily life? Are there areas where you need to surrender control and trust God's plan more completely? What practical steps can you take to live out your faith in the context of waiting for God's perfect timing?
