# **AUGUST SECOND OFFERING:** **THE NEW CHARIS MISSION**

The New Charis Mission (TNCM) is a registered, non-profit charitable organisation founded in 2006 by Pastor Don Wong. TNCM operates with the core vision "to bring hope and opportunities to those in despair and neglect". TNCM goes beyond the traditional scope of a halfway house by running holistic programmes that transform ex-offenders and drug addicts from social burdens into active community mentors and contributors.

A close-up photograph of a person's hands clasped over a brown leather-bound Bible. The Bible is resting on a person's lap, and the words "Holy Bible" are embossed on its cover. The person is wearing a grey long-sleeved shirt and grey pants. The background is softly blurred, showing a warm, golden light. The title "Prayer Support" is written in a large, white, italicized serif font across the top of the image.
