MWS SENIOR CARE CENTRE @ EUNOS

MISSION OF MWS

- 1.1 In Christian love, MWS provides quality services to address prevailing social needs, touch lives and advance a compassionate and caring community.

OBJECTIVES OF MWS SCC

- 2.1 To provide a range of programmes and services which enhance the well-being of older persons residing in the community, thereby enabling them to age-in-place for as long as possible;
- 2.2 To network with and mobilize community resources to meet the needs of older persons within the community;
- 2.3 To cater to clients who are frailer, as compared with seniors at senior activity centre, and require more supervision. About 70% of our day-places will be provided to seniors with dementia;
- 2.4 To provide a home-like environment that empowers, facilitates senior clients to plan their own schedules and take charge of their own programmes.
